SELECTED EXPERIENCE

Linguist Lead
TELUS International AI Data Solutions

📅 June 2023 - Present   Remote

- Works with client teams for an NDA-protected client to improve feedback for TI Linguists.
- Leads and educates a team of linguists in project-related tasks.
- Liaises with fellow TI Linguists to train, coach, and mentor on specific client projects.
- Continues Linguistics Analyst II duties.

Linguistics Analyst II
TELUS International AI Data Solutions

📅 Feb 2022 - June 2023   Remote

- Contributed to NLP research and collaborated with product teams for an NDA-protected client to annotate content and perform data quality control.
- Provided feedback to the analytical linguists on annotation guidelines.

Ph.D. Student & Doctoral Researcher; Computational Linguistics; Minor: Informatics
Indiana University

📅 Jan 2018 – Aug 2022   Bloomington, IN USA

- Took Computational Linguistics and Linguistics coursework and performed research in Computational Linguistics, Dependency Parsing, Cross-lingual Parsing, Swedish Parsing, Universal Dependencies, Annotation, Corpus Linguistics, Treebanks, and Natural Language Processing.
- Completed projects and submitted research proposals to propel personal learning ambitions.

Research Assistant
Indiana University

📅 Jan 2022 - May 2022   Bloomington, Indiana USA

- Conducted neural network cross-lingual dependency parsing experiments for Swedish, Norwegian (Nynorsk), and Danish on a supercomputer.

Managing Editor
LINGUIST List

📅 Apr 2018 - Aug 2021   Bloomington, Indiana USA

- **Managing Editor:**
  - Led weekly meetings and managed 3 graduate student editors, coordinating 5 workers, in-person and remote, to achieve the prescribed deliverables on time.
 - Delegated and tracked each staff member's assignments and deadlines.

PROGRAMMING, COMPUTING, & TOOLS

Python   Unix   Git
Unix Command Line Tools   LaTeX
Markdown   HTML   macOS   Linux
Windows

LANGUAGES

- English - Native fluency
- Swedish - Beginner

STRENGTHS

Communication   Leadership Skills
Detail-Oriented   Organization

INTERESTS

- Natural Language Processing
- Management
- Chatbots
- Treebanks, Corpora, & Annotation
- Artificial Intelligence (AI)

SELECTED COURSEWORK

- Programming for Computational Linguistics
- Topics in Machine Learning
- Natural Language Processing (LiU)
- Advanced Natural Language Processing

SELECTED EDUCATION

M.A. Computational Linguistics
Indiana University

📅 Aug 2016 – May 2018

B.A. Linguistics
University of Florida

📅 Jan 2013 – Dec 2014
